
Our Mission and Vision

Covenant Community Services, Inc. is a community service organization that provides hope and love to abused and neglected children and their families.

Our vision is to witness every abused and neglected child living in physical, relational, spiritual and emotional wholeness thereby ending the cycle of child abuse and neglect in our community.

The Children We Serve

- Foster children are between the ages of 0-18, who because of abuse and neglect are **unable to live** with their biological parents.
- Foster children are hurting children that need loving families that will **help** them heal and grow into stable, secure and loving adults...
- Foster children are children with goals, dreams, gifts and talents that need **love** and encouragement to realize their divine potential. **Help us reach these Children!**

Please call 661-326-8304 to help bring hope to abused and neglected children!

Covenant Foster Care

“Placing abused and neglected children in families that model the love of Jesus Christ”

Who We Are

Covenant Community Services (Covenant) provides services and supports to abused and neglected children and their families. Covenant Foster Care (CFC) is a Christian nonprofit Foster Family Agency licensed by the State of California. Our mission is **“Placing abused and neglected children in families that model the love of Jesus Christ.”** The mission is fulfilled as we recruit, train and certify foster families.

What We Do

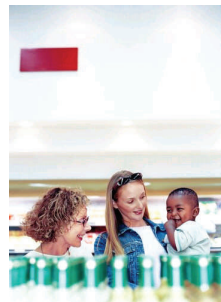

Covenant partners with individuals and families to serve abused and neglected children. Our wonderful families provide safe, stable and loving environments for children to develop and grow in God’s love and grace.

At Covenant, we **connect** people with a heart to serve with children that need hope and love. CFC develops and establishes relationships with community partners and individuals to serve the children in our homes. We are confident that these “covenant partnerships” will bring hope to hurting children. **Together, we bring hope!**

How You Can Help

We need your help. In 2007 we turned away over two referrals a week for placement of children! This is a tragedy. I cannot tell you where these children went to live but I can tell you that you can make a difference in a child’s life by taking them into your home! You can help Covenant reach abused and neglected children by providing hope and love as you serve through:

- Becoming a Prayer partner for the children in care
- Becoming a Foster Parent and taking a child into your home
- Becoming a Respite Foster Parent to provide “breaks” for our Foster Families
- Being part of our “babysitting team”
- Being a part of a “circle of support” that surrounds a foster family with love, support and prayer
- Working in the office as a volunteer on one of our many projects, and
- Giving to support children’s parties, activities and special events!

YOUR PART

Serve By ...
Praying!
Giving!
Becoming a Foster Parent!

Get Involved Today

Please complete this form and send it to Covenant ... with your help we are Making a Difference!
