

Become a **Covenant Partner** and help stop the cycle of child abuse and neglect.

As a Covenant Partner, you are partnering with us to fulfill our mission--"Providing hope and love to abused and neglected children." We fulfill our mission by providing mentoring, family preservation and reunification services, therapeutic foster families, and a transitional living community for emancipated foster youth. (Emancipated foster youth are children who have reached age 18 and are no longer supported by foster care system)

Your monthly donation will:

- Provide more children with the opportunity to be mentored
- Buy furniture and make repairs to homes where children should be reunited with their families
- Create a home where emancipated foster youth will learn life-skills for successful/independent living

When you commit to give monthly, you will be providing Covenant with a fixed, monthly income ensuring these services are available for foster children and their families. Your donation also makes it possible for us to recruit foster families, mentors and additional partners.

Please complete the bottom half of this flyer to become a Covenant Partner. All donations are tax deductible and you will receive our monthly, email newsletter with stories demonstrating the impact your investment makes in the lives of children. If you have any questions, please call Jessica at 661.326.8304 or email jessica@covenantcs.net

YES! I would like to become a Covenant Partner!
